Tailored to client needs

Dirk Schneider is an internationally experienced consultant and interim manager with a successful track-record of strategy development and operational implementation. Working as an independent professional Dirk is commited to management solutions and work approaches carefully tailored to the specific needs of each client. In doing so Dirk's client services cover a broad range of strategic and operational issues and can take the form of board supervision, management consulting or interim management.

In addition, Dirk provides community services as a member of the local parliament of his hometown, by leading local development initiatives and by supporting municipal governments in their work.

This homepage provides further information on Dirk's personal profile, client work and community services. It invites further discussions on those activities and welcomes enquiries, suggestions and comments.
